About W. R. Berkley Corporation

W. R. Berkley Corporation, founded in 1967, is one of the industry's premier commercial lines property casualty insurance providers. Each of the operating units in the Berkley group participates in a niche market requiring specialized knowledge about a territory or product. Our competitive advantage lies in our long-term strategy of decentralized operations, allowing each of our units to identify and respond quickly and effectively to changing market conditions and local customer needs.

About Berkley Offshore

Berkley Offshore Underwriting Managers started operations on January 1, 2009 writing an Upstream Energy book of business. During 2012, operations were expanded to include the Marine and Energy Liability Divisions. Our marine division provides a full suite of marine products including hull, liability, excess liability, marine license programs, cargo in transit and cargo stock throughput and much more. The Underwriters at Berkley Offshore are committed to providing best in class underwriting expertise, specialized marine specific products, and outstanding claims service to our valued partners.
